

MARA PLAINS CAMP

OLARE MOTOROGI CONSERVANCY | MAASAI MARA NATIONAL RESERVE

Mara Plains Camp is a one-of-a-kind camp located in the private 35,000-acre (14,000-hectare) Olare Motorogi Conservancy, just on the Maasai Mara National Reserve's northern boundary.

This intimate camp, one of Kenya's only three Relais & Châteaux properties (other being sister properties of Donyo Lodge and Mara Nyika Camp), blends the finest in wildlife viewing with the absolute best of safari hospitality and guiding.

Few other Maasai Mara based camp offers the extensive traversing area of Mara Plains Camp, with access to a total of 98,000 acres (40,000 hectares) of private conservancy land and the world-renowned Maasai Mara, home to the Great Migration.

Each guest at Mara Plains contributes considerably to the success of the Olare Motorogi Conservancy's flourishing ecosystem; conservation fees paid to safeguard this habitat while supporting over 1,000 Maasai families. This partnership agreement ensures the survival of an astounding volume and variety of wildlife.

The camp is nestled in a lush forest on the meandering bends of the Ntiakitiak River, with careful thought given to every detail. The camp is not an imposition on the landscape, but rather a subtle refuge among the wild. Its presence does not detract from the ecosystem's visual beauty but incorporates it with sweeping views across the plains and careful position among the riverine forest. It is captivating on arrival.

Each of the suites has deep canvas canopied ceilings, rough-hewn wood floors and accents of East Africa's rich safari history. Thick Lamu wood doors, deep reds, and brass accents – these small details transport guests to a time and land far away. The well-appointed en-suite facilities (including a deep copper bath) and extensive private verandah complete what is genuinely a stunning concept. These stylistic elements and thoughtful environmental elements such as solar power and no cement make Mara Plains a modern-day safari retreat.

The Jahazi Suite at Mara Plains, an intimate, two-bedroom exquisite, tented suite, is built entirely under canvas and is a perfect partner to the safari experiences at Mara Nyika Camp, The Sambuk Suite at Mara Nyika and Ol Donyo Lodge. It is on raised, recycled railway sleeper decking and offers guests incredible views of the steady stream of wildlife parading past whilst discreetly tucked away under the tree canopy.

The Olare Motorogi Conservancy is reputed to have the lowest vehicle density in the Maasai Mara region, while also having the highest concentration of big cats anywhere in Africa. The camp is a sanctuary for resident species by day and night, including many of the Maasai Mara's 300 bird species. After dark, larger mammals frequent the camp and Maasai warriors escort guests to and from their suites. Hippos snorting and leopards barking often provide the night's chorus.

ACTIVITIES

Wildlife viewing

Early morning, late afternoon/ evening or even full day safari drives take place in some of the Mara's most luxurious wildlife-viewing vehicles. Each Toyota Land Cruiser safari vehicle is open-sided, canopied and customised for photographers (fold-down screens, raised roofs, photographic bars, multi-plug invertors). Each vehicle is also stocked with a fridge with drinks and snacks, ready for longer days out if the wildlife viewing is exciting and just too hard to leave.

We choose to accommodate four guests (or two couples) on a safari vehicle; however, if a family or group travels together, we would easily accommodate up to six guests.

Every day on safari brings a unique and distinct experience. Safari drives typically start at sunrise, return for lunch and depart again in the mid-afternoon before returning just after sunset. However, with a packed breakfast and lunch, we often go out all day deep into the Maasai Mara National Reserve or the private Mara North and Olare Motorogi Conservancies.

Our safaris will often continue into the evening, made possible by our location on a private conservancy. Night drives are incredibly prolific in the Olare Motorogi Conservancy, and while they take patience, sightings commonly include lesser-known nocturnal mammals and even lion and hyena hunts.

Our schedule is flexible, and guests are encouraged to create their own itinerary according to their interests with guidance and recommendations from our professional guides.

FOUNDATION INITIATIVE

Conservation Education

Engaging youth in local communities living alongside conserved land is critical to long-term conservation. Our conservation education programs engage youth with the natural world at a pivotal time in their lives. Great Plains Conservation believes that through thoughtful engagement, environmental education, fun and mentorship, youth in communities that surround our protected wildlife areas can learn to appreciate the uniqueness of their ecosystems and become champions for conservation.

Great Plains Student Conservation Camps are one of our longest-running community programs. Since the program began more than ten years ago, hundreds of children have benefited from the program in both Kenya and Botswana. Learn more at www.greatplainsfoundation.com

In addition to our own programs Great Plains Foundation keeps a list of school needs in the countries where we work. Needed items can be hand-carried by travelers or we can help purchase them locally.
